Ladies and Gentlemen:

ISAF Youth Sailing World Championship 2012

It is my pleasure to invite all ISAF Member National Authorities to the 42nd edition of the ISAF Youth Sailing World Championship 2012 which will take place in Dun Laoghaire, Ireland, from 12 - 21 July 2012.

New this year is the implementation of a full on-line registration system which will make this process easier for both the organizers and the competitors. These changes are part of the approved Notice of Race. Please find attached a copy of the Notice of Race.

Brian Craig, the Event Manager, is happy to answer your questions related to this event. Information can be found on the event website:
www.isafyouthworlds.com.

I would like to take this opportunity to ask for your support. To assist the organizers and the manufacturers the notice of race requests you to submit an on-line equipment reservation form specifying the number of team members and the events they are intending to enter by **31 January 2012**. Please click [here](#) to access the on-line reservation form

Please do not hesitate to contact myself or Antonio González de la Madrid if you require any further information about this subject.

Yours sincerely

Jerome Pels
